

Hello Ashley Classmates,

Hope you and your loved ones are all well and happy these days.

It's that time again for a class reunion. (Aren't we the fortunate ones still here to say that?) So, let's gather to celebrate with "Greenwave cheers for 65 years!"

This time we've planned a very informal get-together - no frills, no real program, no door prizes, no souvenir booklet - just mainly time to talk with old friends. We're sure to remember our happy, carefree days at Ashley but also catch-up on happenings in our lives since then. We will, of course, keep the traditional memorial time to honor classmates we have sadly lost since our last reunion.

Here are the details:

- What - Our 65th Ashley Class of 60 Reunion with a barbeque lunch
- Where - South Minister Presbyterian Church fellowship hall
1401 Hoffman Road, Gastonia
- When - Saturday, April 26
11:00 am - 4:00, with lunch around 1:00
- Dress - Casual
- Cost - \$15.00 per person

Please respond no later than April 10. Send a check made to Ashley Class of 60 along with the completed enclosed form to

Doris Vlaservich

Classmates, here we all are - well into our 80's - and it's true - we're OLD and our waves roll much slower these days.... but we can still meet, celebrate, and all together give "Greenwave cheers for 65 years!"

Sure hope to hear from you soon and see you in April,

Your Reunion Committee
