

Hello Ashley Classmates,

We hope this letter finds you well. For sure, we're all older than we can believe with some aches, pains, and other problems that just come with this age, but aren't we blessed to still be here, still riding our wave.

It's time, once again, for another reunion. The committee has decided on an almost repeat of last year's. It seemed to work well and wasn't too hard on anyone. So, let's get together and celebrate.

What? Our 66th AHS Class of 1960 reunion
How? A barbeque luncheon and social time
When? Saturday, April 25, 11-4
Where? Southminister Presbyterian Church, 1401 Hoffman Rd., Gastonia, NC
Why? To **renew** old friendships, to **reconnect** and catch-up on the latest, to **reminisce about** days in high school

Don't you agree that our **Class of 60** is an exceptional one? We have a special bond that stems from our days together at Ashley and has strengthened over these 66 years by reuniting at reunions. We're friends and classmates who shared good times in our youth and now, in our advanced age, share happy memories.

So, please plan to attend. Let us hear from you before Easter (April 5). Send in the completed registration form (or make your own with the requested information). Enclose a check for \$20 per person and mail to –
