HOUSE GROUP BEGINS PAYOLA HEARINGS

Prexy Hopefuls Go West

KENNEDY SAID TO WANT TO BYPASS CALIF.

Kennedy, Johnson, Humphrey, Nixon Busy Soliciting Support Over Weekend.

BY THE ASSOCIATED PRESS. The prize of 271 Democratic nominating votes lured presidential hopefuls into a weekend of Western politicking. Sens. John F. Kennedy (D-Mass) and Lyndon B. Johnson (D-Tex) seemed most active at trying to lasso the votes.

Kennedy supporters reportedly approached California party officials Sunday and proposed terms under which he would stay out of the state primary. The terms were calculated to help Kennedy pick up convention votes.

Meanwhile, Johnson supporters, milling about the Western Democratic Conference in Albuquerque, N. M., claimed Johnson already had more than 200 of the West's 271 convention votes. Kennedy forces looked on the claim as Texas boasting.

Besides Kennedy and Johnson, Sen. Hubert H. Humphrey (D-Minn.) showed up at the Albuquerque conference. In a speech, Humphrey lashed out at the Republicans, calling them great wasters of resources, including human resources.

The Republicans were not absent from the West. Vice President Richard M. Nixon, who has a clear field to the GOP presidential nomination, spoke in Los Angeles Saturday and backed up the administration's defense policy.

"At the present time," Nixon told the California Newspaper Publishers Assn., "our present course seems adequate."

"The complex of strength-considering missiles, bombers with their Hound Dog missiles, Polaris submarines that will be coming along and all the other forces—is what counts," he said.

The Kennedy terms were given to Roger Kent, California Democratic state vice chairman, and Elizabeth Smith, national committeewoman.

The senator's supporters told them Kennedy would stay out of the June 7 primary if Gov. Edmund G. Brown, the state's favorite-son candidate, would promise to release his delegates after the convention's first ballot.

One of the senator's staff explained there was concern that Brown might hold his state's 81 votes until it was too late to help Kennedy's chances for nomination.

He's An Operator

Keep An Eye On Lyndon

BY JAMES MARLOW—(AP News Analyst) WASHINGTON—(AP)—Keep your eye—both eyes, in fact—on Sen. Lyndon B. Johnson all the way up to next summer when the Democratic convention picks its presidential candidate.

He wants the nomination all right but until this past weekend he's been as coy as Alice-blue-gown. Sens. John F. Kennedy of Massachusetts and Hubert H. Humphrey of Minnesota, both out-and-out candidates, can't build in state primaries and criss-cross the country looking for support, until their tongues hang out.
